BILIOUSNESS AND CONSTIPATION

It is certainly surprising that any woman will endure the miserable feelings caused by biliousness and constipation, when relief is so easily had and at so little expense. Mrs. Chan Peck, Gates, N. Y., writes: "About a year ago I used two bottles of Chamberlain's Tablets and they cured me of biliousness and constipation." Obtainable everywhere.—Adv. d&w

METHODIST PRESIDING ELDERS ARE MEETING.

By United Press. Dallas, Tex., Sept. 21.—The presiding elders of Texas Methodist conferences began their second annual convention here today. Several delegates were present from Oklahoma and New Mexico. It is expected that Bishops McCoy, Murrah and Key will attend the session, which will last two days and will be held in connection with the opening of the Southern Methodist university. Forty-five elders are here from this state.

Herbline is the medicine that cures biliousness, malaria and constipation. The first dose makes you feel better, a few additional doses cures completely. Price 50c. Sold by Owl Drug Store.—Adv. d&w

MADE THEIR GETAWAY.

Feeling rather good over the general outlook of things and being well pleased with the township fair, several citizens of that section of the county started things at Tuttle Saturday evening. A special deputy peace officer objected to the display of high spirits and started in to arrest the parties. However, objecting to this the fun lovers ditched the special officer and departed for the sections of the county where they could sleep off the effects of their jags undisturbed by deputies, special or other kinds.

If your child is pale and sickly, pick at the nose, starts in the sleep and grinds the teeth while sleeping, it is a sure sign of worms. A remedy for these parasites will be found in White's Cream Vermifuge. It not only clears out the worms, but it restores health and cheerfulness. Price 25c per bottle. Sold by Owl Drug Store.—Adv. d&w

REAL ESTATE AND FARM LOANS

We have three buyers for land. One of them wants a stock farm about one third bottom, balance grazing land, has \$6000 cash, will assume mortgages. Another wants first class bottom land near school, improved or unimproved, will pay \$5000 cash and give mortgage for balance. The last man has \$1000 cash to pay on a good small farm not more than 100 acres and prefers northwest of Chickasha.

We have sold six farms and traded three in the last 30 days, 1310 acres of good improved land, \$59,750, an average price of about \$45 per acre.

We are getting out a good list of land to advertise in several of the best papers that have a large circulation in the north and west. If you haven't already listed your land with us and wish to sell come in and see us or write us in the next few days giving accurate description of land, price and terms, mortgage, etc. We charge 5 per cent commission for selling land.

FARM LOANS.

Do you know of some cheap land near you that you would like to buy? We will be glad to inspect the land and tell you what we can loan on it. Remember we loan on the real value not on the price for which the land can be purchased. We have loaned sufficient money to buy some special bargains.

There has never been a better opportunity to make some easy money investing in land. You can borrow more money at a better rate and have a better loan proposition than heretofore. The big loan companies are anxious to secure loans in Oklahoma and are making it easier for the borrower. They have better opportunities to know of general conditions. They have confidence in the future of Oklahoma. Why shouldn't you?

THE CLERK GUARANTEED IT.

"A customer came into my store the other day and said to one of my clerks 'Have you anything that will cure diphtheria?' and my clerk went and got him a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, and said to him, 'If this does not cure you I will not charge you a cent for it.' So he took it home and came back in a day or two and said he was cured." writes J. H. Berry & Co., Salt Creek, Va. Obtainable everywhere.—Adv. d&w

TEXAS RATE HEARING.

By United Press. Austin, Tex., Sept. 21.—The hearing of the Texas railroads' application for advance in freight rates was resumed here today by the railroad commission. No testimony was taken but the railroads and shippers were permitted to file briefs and present oral arguments.

EVERY HOME NEEDS A FAITHFUL COUGH AND COLD REMEDY.

When seasons change and colds appear—when you first detect a cold after sitting next to one who has sneezed, then it is that a tried and tested remedy should be faithfully used. "I never wrote a testimony before, but I know positively that for myself and family, Dr. King's New Discovery is the best cough remedy we ever used and we have tried them all." 50c and \$1.00.—Adv. d&w

ENGINEER TAKES EXAMINATION.

H. A. Cranwell has returned from Oklahoma City, where he spent three days before the state highway commission taking examination. This examination is required by law of all who would become state highway engineers. Mr. Cranwell states that over one hundred civil engineers were present and took this examination. The examination papers will be passed upon by the committee in charge within the next few days.

THE NEXT BEST THING TO THE PINE FOREST FOR COLDS IS—

Dr. Bell's Pine-Tar-Honey, which goes to the very root of cold troubles. It clears the throat and gives relief from that clogged and stuffed feeling. The pines have ever been the friend of man in driving away colds. Moreover, the pine-honey qualities are peculiarly effective in fighting children's colds. Remember that a cold broken at the start greatly removes the possibility of complications. 25c.—Adv. d&w
